

# ANNOUNCING SHARED MEMBERSHIP BENEFITS 2020/2021

As a current member of AILA/NZILA we are pleased to announce an exciting new initiative to further the **value of your membership** and continue to **increase your industry education and networking opportunities**.

During 2020/2021 you can opt in to receive **shared membership benefits**.

The concept is simple: we want to provide you with as much **industry opportunity** as possible and build your **global relationships**.

As a member of one, you are eligible to receive the benefits of both – doubling your membership at **no additional cost**.

## What are the additional benefits?

- Website access including educational materials (white papers, presentations, and videos)
- Access to webinars at member rates
- Attendance at all conferences and seminars at member rates
- Staying up to date with the latest Association information

This is an exciting opportunity for our Associations as we move forward and work in partnership to build a stronger insurance and insurance law offering for everyone in the industry.

We hope you will join this great initiative and commence your additional benefits today!
