

# Transport:

## Thursday – Coronet Peak

Unfortunately, due to the road works and lack of turning spaces, all people staying at Rydges, QT, Highview, St Moritz and everywhere else except for Novotel will be picked up at Rydges at 5.10pm to be bused up to Coronet Peak in five coaches.

Two coaches will leave from Novotel at 5.10pm also.

If you miss the coaches, then you will need to arrange your own transport up to Coronet Peak.

The coaches will return from the dinner from 9.45pm when they are filled, with the last one leaving at 11.30pm.

## Friday – Skyline

Buses will be leaving Rydges from 12.35pm going to Skyline. There will be four buses doing two runs.

Again due to the extensive road works, unfortunately the buses will only be able to drop back to Rydges.

Pickup and drop off is directly outside the Skyline Terminal.

The first return bus will be leaving at 2.45pm. As buses cannot park and wait to be filled for very long, you will need to be down ready to get on at 5 minutes before departure. The last bus shuttle pickup will be 3.45pm.

If you are leaving directly after the Long Lunch you are welcome to bring small bags with you to the lunch and leave at the back of the room – you will need to take this on the gondola with you. If you have large or heavy bags, we recommend you leave these at your hotel concierge.
